

## Ellerslie School Contributions 2025 New Entrants and Year One

Ellerslie School  
EST 1877

Listed below are the contributions for your child to attend Ellerslie School in 2025.

The school donation is payable in one sum, by the term or you can specify your instalment amounts via Kindo. Please remember that the donation is eligible for a tax rebate from the IRD. Donations help to cover the extra specialist teaching and resources required to deliver the NZ curriculum that are not covered by the funds the school receives from the Ministry of Education. Donations are payable for a maximum of two siblings per family - \$400 for the first child, \$380 for the second child and no further donation for any other siblings.

All pupils have swimming lessons. Swimming is a compulsory part of our physical education programme and the contribution covers: bus fares, tuition and pool entry which are subsidised by the school.

**We ask that all contributions are paid as promptly as possible within the first term of the school year.**

***NOTE*** The below items will only be billed to your child's account after the start of the new school year.
