## FROM THE PRINCIPAL

### Tena koutou katoa Ellerslie whānau

#### Lorraine Florian

The Ellerslie School community would like to acknowledge the sad passing of Lorraine Florian. Lorraine was a long-serving member of the One Tree Hill College staff who, in her role as the school's social worker, supported a number of families and students in our community over many years. This included many Ellerslie School families. She dedicated hours of her life advocating for families and children and will be sorely missed. We extend our condolences to Lorraine's family, friends and the staff at One Tree Hill College

#### Heading to the End of Term 3

As we race towards the end of term we are all very proud at the high level of progress, achievement and engagement that is being displayed by our students at Ellerslie School. Some of highlights include:

#### The APPA Rehu Tai Festival/Speech finals

Congratulations to our Year 5&6 students who made a clean sweep, winning all four categories at the Maungakiekie Kahui Ako Oral Language Festival yesterday! Congratulations to our winners: Will T (Speech), LeBron S (Spoken Word), Malaika M (Flash Talk) and Sophia B (Rap.) Each of them have made it into the Auckland Rehu Tai finals. Also to our Year 7&8 students winners. These included Thelishya T who won the Maungakiekie Kahui Ako zone Spoken Word competition and Keegan Leong who won the Remuera Zone final. Well done to all those who took part in this annual event and all the best to those going through to the Auckland finals which are being held in the last week of the term.

#### Kapa Haka

It is fantastic to have regular Kapa Haka practices up and running again with the support of staff and outside tutors. The Senior Kapa Haka, involving students in Years 4-8 are practising each Wednesday in the 3rd block with the support of Whaea Krystal and Whaea Elisa (girls) and Zaeben-Lee (OTHC senior student) and Tim Carson (boys). The Junior Kapa Haka (Years 0-3) is being taken by Whaea Hannah each Wednesday at lunchtime supported by Suze Tausilia.

#### Senior School Information Night

Thank you to the senior students who presented at the Year 7&8 information evening on Thursday. They did an excellent job explaining the Year 7&8 teaching and learning programme to the large gathering of mainly Year 5&6 parents and caregivers who were interested in finding out more about the senior school. Thank you to the staff who also attended and contributed

to the evening.

### Marimba Festival

Congratulations to all the marimba and rock band players who attended the annual Auckland Marimba Festival last Saturday. It was fantastic to see much of Ellerslie's music talent on display, working together with a number of other schools and creating a magnificent sound. A huge thanks not only to the students but also to Dylan Symonds, our music specialist teacher who has spent many hours teaching the various bands as well as helping to coordinate and play in the festival. Thank you to all the parents and caregivers who encourage their children to take part in these opportunities. They can't do these things without your support.

### The Pace of Educational Change

Those of you who keep connected to the media will be aware that a great deal of change is happening, quickly, within the education sector. The coalition government is committed to addressing 6 main priorities:

- **Clearer curriculum:** Establishing a knowledge-rich curriculum grounded in the science of learning.
- **Better approach to literacy and numeracy:** Implementing evidence-based instruction in early literacy and mathematics.
- **Smarter assessment and reporting:** Implementing consistent modes of monitoring student progress and achievement.
- **Improved teacher training:** Developing the workforce of the future, including leadership development pathways.
- **Stronger learning support:** Targeting effective learning support interventions for students with additional needs.
- **Greater use of data:** Using data and evidence to drive consistent improvement in achievement.

By the start of 2025, primary schools will be required to start implementing the new English and Mathematics curriculum. Ellerslie School is committed to ensuring these new changes are implemented at an effective pace that supports positive outcomes for both staff and students. The school believes in a balanced approach to these changes so as to ensure we don't stop doing the things that are currently making a positive difference in regards to progress and achievement. We have a great opportunity as a nation to find the educationally sound middle ground where the key teaching and learning methods can happily exist to help and benefit all students.

### Buy Everything in Our House Auction - Last Day Friday 13 September

It is the last day for people to get behind this fantastic fundraiser! Our virtual house contains an amazing variety of quality products that you would want to furnish your home with, or use in your home, and vouchers to buy products and services for your home. They have all been generously donated by businesses local to Ellerslie School, and across Auckland and NZ. From indoor and outdoor furniture, homeware, books, food, pet products, the list goes on! Last chance - so click onto the auction <https://www.32auctions.com/BEIOH>

### Trivia and Karaoke Night/ Fairy Festival

We have had 2 very successful events recently that have involved many members of the community. The Trivia and Karaoke evening held in the One Tree Hill College hall was an enjoyable evening attended by many current and former parents and friends of the school. Many thanks to all those who helped pull this together including previous Ellerslie School student Sam Franks who was the Master of Ceremonies. The annual Fairy Festival attracted thousands of people once again. Thank you to those who spent the day making and selling candy floss. Congratulations to Sarah Nuttall who coordinated both of these community occasions.

### Year 6 Camp

All the best to the Year 6 students, staff and parents who are heading out to Chosen Valley in Week 10 for our annual Year 6 camp. The team is looking forward to the 3 day camp where they get to complete 10 challenging activities as well as a number of fun freetime activities including the well known camp waterslide!

### TEAM UPDATES

<p>RIMU (Years 0 and 1)</p>	<p>Kia ora Rimu whānau. Welcome to all our new families. We look forward to being a part of your child's Ellerslie School journey.</p> <p>We have continued our exploration into the different states of matter and what changes can happen to them. We are using words like solids, liquids, gases, evaporation and melting. We are looking forward to Te Wiki o te Reo Māori 2024 in Week 9 and seeing you all at our Learning Celebration on Friday.</p>    
<p>RATA (Year 2)</p>	<p>Kia ora Rata Whanau</p> <p>We are all super excited to share our inquiry into magnetism and other learning too. We have plenty to show you. Here are some photos to give you an idea of what we have been working on!</p> <p>We hope to see many of you next Friday for our celebration of learning!</p>   

**MATAI**  
(Years 3 and 4)

Kia ora Matai Whanau,  
We have been enjoying a range of activities and learning in our team Physical Education rotation over the term. This included some outdoor running games as well as experiencing the coordination and rhythm of using traditional Māori rākau stick games and poi dancing, which was really challenging but lots of fun for our students to do. Science investigations continue through the team also, as well as some fun art in Matai 3 - check out their Frankenstein artworks below! Please also keep checking our pod Seesaw Journals for more insight into what your children are working on in their school day.

**PŌHUTUKAWA**  
(Years 5 and 6)

Our Year 5, 6 ākonga have been busy writing to inform, persuade and entertain us about 'Unity' this term. Students who were keen to get out of their 'comfort zone' chose to work with Miss Ettles to create, refine and present their message as a rap. Climate change, racism and the Olympics were a few of the spoken word topics presented to Miss Patterson. The vast majority of our students chose to write a prepared speech with Mr Leong, Mr Montalvo, Ms Waterreus, Miss Walter, Miss Campbell and Mrs Chou. Mrs Robinson and Miss Sye enjoyed working with our Flash talk students.

In celebration of their hard work, Te Kapa o Pōhutukawa held our speech finals last Thursday. We had three students for each category present to their Year 5, 6 peers. Congratulations to all our finalists!

2024	Speech	Flash Talk	Rap	Spoken Word
<b>1st place</b>	Will T	Malaika M	Sophia B	LeBron S
<b>2nd place</b>	Eloise S	Bella L	Oliver T	Jacob B
<b>3rd place</b>	Lavishka R	Avika A	Harry M	Sophie F

Will, Malaika, Sophia and LeBron made a clean sweep, winning all four categories at our Kāhui Ako Rehu Tai Oral Language Festival yesterday! Will's speech wowed the audience about how we can unite together to reduce the plastic in our oceans. LeBron's poetic prose about inclusion captivated us. Malaika's clever use of pictures, words and gestures when talking about Rosa Parks, as a role model for positive change was a stand out. Sophie rapped about the strength of our community - friends, neighbours and family when facing hard times. They have made it into the Auckland Rehu Tai Finals.

We have 32 runners off to our Remuera Zone Cross Country next Thursday 19 September with Miss Ettles and Ms Waterreus. Please ensure your child wears their P.E uniform and suitable running shoes and is at school by 8.15am. Students and teachers will be travelling by bus departing at 8.30am.

We look forward to seeing our Year 6 campers at school by 7.45am on Tuesday 24 September. Please remember to label your home baking and medicine. Our buses will be leaving school at 8.15am.

**KAURI**  
(Years 7 and 8)

Kia ora koutou Kauri whānau.

Congratulations to our E.Z. Cross Country runners who competed last week. The course at Churchill Park is a challenging one, especially compared to our flat school course and our runners showed determination and persistence when completing their races.

A huge congratulations also goes to Keegan Leong who competed at the A.P.P.A. Rehu Tai competition. Keegan's formal speech on the topic of Unity won him first place, which sees him move on to compete at the Auckland Competition in Week 10.

Last week, we all successfully took part in VR sessions that were hosted by the BLAKE Trust. Each class used VR to explore 'Marine mammals' which covered culture and society of marine mammal species found in Aotearoa/New Zealand, threats to marine mammals, and kaitiakitanga/guardianship of our environment.

We had a successful Milo fundraiser last week and the first of our two sausage sizzles on Wednesday this week. The money raised is part of our Y8 fundraising that goes towards the Leavers Hoodies that our Y8s will receive towards the end of the year. Our Y8s really appreciate all the support from our school community.

**CALLING ALL YUMMY STICKERS!**

Please send all collected Yummy stickers to the school office by **Monday 23 September** so that Ellerslie School can apply for our share of sports gear through the nationwide Yummy Sticker scheme. If your sheets are not complete, don't worry as we can fill these for you. For more information - check out the promotion [HERE](#).

### ELLERSLIE SCHOOL COLOUR RUN - SAVE THE DATE

This year's Ellerslie School Colour Run will be held on Friday 15 November. More details will be sent out next term - we look forward to this fantastic event!

### HEAD LICE - OUTWIT THOSE NITS

There has recently been a case of head lice identified within the school and we wanted to make sure you were kept informed. While lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread too far. It is not possible to completely prevent head lice because they're very common and breed prolifically, however we appreciate your support in trying to keep the outbreak to a minimum. As there is evidence of an outbreak we suggest that you:

- **CHECK** your child's head thoroughly.
- **TREAT** if you find evidence of eggs or lice.
- **RE-CHECK** after treatment to ensure it has worked.

### ANXIETY PRESENTATION

The Parenting Place is holding a presentation about 'Supporting your child through anxiety and worry' by parenting coach Kristin Ward. This will be held on Tuesday 24 September at 7:00pm at Diocesan School for Girls Performing Arts Centre, Clyde Street, Epsom. If you would like to attend, please register on this [LINK](#).
