FROM THE PRINCIPAL

Tena koutou katoa Ellerslie whānau

Since our last newsletter the school has been in full Matariki celebration mode. This special time of the year goes from strength to strength as we integrate all the fantastic learning that is associated with this important cultural time of the year. Thank you to the many parents, caregivers and whānau members who attended last week's learning celebration afternoon. It was fantastic to see you all engaging with the students' learning, watching their performances, appreciating their creativity and celebrating their successes. Sitting alongside all these activities the Trees for Survival team have recently ventured out for their annual planting session as well as Kauri and Pohutukawa teams have attended the National Youth Theatre production of Joseph and the Amazing Technicolour Dreamcoat.

Kauri Team Production

Week 9's, Year 7 and 8 Mānawatia, a Matariki production involving all 130 Year 7 and 8 students, was a huge success and enjoyed by all those who were lucky enough to see the performance. This included most of the students from school (Years 2-6) who came down to the community hall to witness such a great display of talents. The show had it all - acting, dancing, music performances, haka and poi as well as being culturally significant as it led the audience through the meaning and importance of Matariki. Congratulations to all those involved with the show including the large number of staff who assisted along the way. A special mention must go to the two main producers Mr Carson and Mrs Joseph-McGlashan who successfully pulled the show together in a very short timeframe with limited resources. They demonstrated tremendous use of the Ellerslie 5Cs!

Farewell to....

The school and community would like to thank Matai team teacher **Ellie Cowan** who finishes her time at Ellerslie at the end of the term and heads off overseas for new adventures. Ellie has been an outstanding teacher in the middle school for the last 2.5 years. She has contributed a great deal to the life of school and is highly respected by her students and colleagues. We thank Ellie for the dedication and effort she has put into her teaching to ensure better outcomes for the students. We wish her all the best for the journey ahead.

Ellerslie School can't thank **Lee Warburton** enough for staying on for an extra two terms this year. With the current staffing crisis biting hard across Auckland, we were very fortunate that Lee kindly agreed to continue her teaching role with us. Considering Lee's family is based in Tauranga this has been a huge commitment which we are grateful for. We have all greatly appreciated Lee's expertise and experience in the learning environment and thank her for the dedication and effort she has put into her teaching. We wish Lee all the very best as she returns to the Bay of Plenty and takes on a new teaching position at Tauriko School.

Mid Year Learning Summary

On Monday, parents and caregivers received their child(ren)'s mid year learning summary. This gives you an indication of how your child's learning is currently progressing at school. This provides an excellent opportunity for you to discuss your child's learning with them. Please celebrate those aspects that are going well and discuss those areas that they might need further focus and improvement on at school. Remember this is a mid- year check-in and, while important, the end of year learning summary is the one that gives the overall progress and achievement for the whole academic year. Students have until the end of year to be achieving and progressing within their expected curriculum level as indicated on the grey line in the learning summary. Not everyone learns at the same pace, some students may take longer than others to reach their curriculum level. What is essential though is that every student continues to show progress throughout the year. Your child's mid year learning summary will be discussed further at the Learning Discussions held next term in Week 3 on Wednesday 07 August. If you have any concerns or questions please contact your child's guardian teacher.

Cohort Entry Announcement - **PLEASE READ**

As explained in the last newsletter, the Ellerslie School Board has agreed to consult the community on the proposed adoption of a Cohort Entry Policy at Ellerslie School. Cohort entry would mean children, who have turned five and are new to school, would start in cohorts (groups). During the year there will be 2 cohort entry points, per term (8 in total):

- 1 on the first day of each term (4 times a year)
- 1 at a mid-point during a term. (4 times a year)

Cohort entry is becoming very common for a number of schools and has several advantages. For detailed information about cohort entry please click [here](#). To have your say regarding the proposed adoption of a Cohort Entry Policy please complete the community survey [here](#). If agreed and finalised, the new cohort entry policy would start at the beginning of Term 1, 2025.

Timelines

- Terms 2 and 3: Consultation period with staff, parents of current and prospective parents, early learning services to consider whether new the policy is generally acceptable.
- Term 3, Week 8: announce the outcome of consultation and release draft new policy
- Term 4, Week 1: Finalise changes - *if accepted*
- 2025, Term 1, Week 1: Adopt new cohort entry policy - *if accepted*

Online Safety

As we head into the holidays, it is a good opportunity to support parents and caregivers with information about how to keep children safe when online. Here are seven steps to help you from Netsafe. The [Online Safety Parent Toolkit](#) is designed to enhance your digital parenting knowledge and has been developed with parents in mind.

1. **Understand:** Read about the potential online risks, challenges and sometimes illegal behaviour young people face to understand what may happen
2. **Learn:** Ask your child about what they do, how they use devices and who they talk to learn about their activities. Check in regularly to see what has changed
3. **Explore:** Take the time yourself to explore the sites, apps and technologies your child uses to improve your knowledge and understand their experience
4. **Agree:** Create a family code with your child to agree on what they can do online including sites to visit, appropriate behaviours, privacy settings and limits
5. **Teach:** Recognise each child has unique needs, but some online safety concepts are universal. Start by teaching yours the Five tips to help your child thrive
6. **Model:** Be a good example to your child. Make sure you role model the sort of behaviours you want to see your child use online and offline
7. **Plan:** Make a plan so everybody knows what to do if something goes wrong and where you will be able to get advice and support in challenging times

Thank You

I would like to extend my sincere thanks and gratitude to our 65 hard working and dedicated staff members who have successfully completed the first half of 2024. Every day the staff arrive at school ready and committed to do their very best to ensure we are striving to always provide a safe and supportive place where students can be the best they can be. All staff, right across the organisation play an essential role in helping to ensure everyone can learn and enjoy their time at school.

Enjoy the upcoming winter break with family and friends. We are looking forward to seeing everyone back on Monday 22 July for the start of Term 3.

SCHOOL FOCUS

School Focus for Week 10: Term 2 Blue Certificate Assembly - for excellence and achievement in Term 2.

LAST DAY OF TERM TWO

Tomorrow (Friday 05 July) is the last day of Term Two. School finishes at the **normal time of 2:45pm**. School resumes after the holidays on Monday 22 July.

HOLIDAY SAFETY MESSAGE

The holiday breaks can be a busy time for vandals. Should you notice any suspicious behaviour around our school during the break, please contact the police immediately on 111. Also, please keep safe at all times! Be careful near the roads and keep an eye out for any little ones. We all want to see our students next term, all safe and sound.

SCHOOL PHOTOS

Photolife Shoot Keys were sent home a couple of weeks ago with children who had their school photos taken earlier in the term. These can be ordered online at www.photolife.co.nz. Orders placed online before midnight on Sunday 07 July, will include free delivery to Ellerslie School. If you need assistance, Photolife can be contacted by phone 0800-501-040.

BUY EVERYTHING IN OUR HOUSE AUCTION

BUY EVERYTHING IN OUR HOUSE AUCTION

With just over eight weeks to go before our 'Buy Everything In Our House' on-line auction starts on 12 August, generous businesses are donating fantastic products and vouchers every week, many including from school parents who own or work for a business [LINK](#).

Literally anything a business would like to donate, we can link to a room or the garage, shed or garden of our virtual house, and in return, they will receive a very wide range of promotion to thousands of potential customers. Please go to the homepage of our website and click on the blue tabs to see who has donated already, and how businesses can come on board: <https://www.ellerslie.school.nz/>

Thank you to our Buy Everything In Our House event sponsor 'The Local Team' from Barfoot & Thompson Ellerslie.
